Maui Relief & Support Network

Join Community Market in supporting Khadija Striegel, Herbalist in Haiku, Maui Serving Lahaina families and the Maui Community

Khadija's wellness support is being sought on a daily basis from families of Lahaina and the Maui Community. The demand is outpacing her resources including product, supplies, raw materials, and loose herbs.

Community Market is providing two donation options to support Khadija's continued efforts:

1. Donate with our Cashiers - Products & Supplies

With your donation Community Market will purchase at cost and ship: Taproot Medicine Syrups (i.e., adrenal, anxiety, and nervous system support) along with tincture and spray bottles, and cloth tea bags.

2. Donate Directly to Khadija - Raw Materials & Loose Herbs

Your donation will go directly to Khadija so she may purchase the raw materials and loose herbs she needs to continue making the additional remedies needed.
