REDWOOD EMPIRE FOOD BANK

In 2025, the Redwood Empire Food Bank distributed \$75.6 million worth of healthy groceries to residents across Sonoma, Lake, Mendocino, Humboldt, and Del Norte counties—enough food to provide over 25.2 million meals to our neighbors in need.

How The Redwood Empire Food Bank Ends Hunger

The Redwood Empire Food Bank provides over 300 monthly food distributions through three hunger-relief initiatives:

- **Every Child, Every Day:** Four robust programs ensure a healthy start in life for 40,000 at-risk children by providing consistent access to nutritious food.
- **Senior Security:** Our Senior Basket program provides food to 15,000 low-income seniors, giving them the nutritional stability and resources they need to lead healthy, independent lives.
- **Neighborhood Hunger Network:** We provide groceries to anyone in need through a variety of programs that improve the health and well-being of 135,000 individuals in our community.

The Scope of Need

Each year, the Redwood Empire Food Bank serves over 135,000 unique individuals—and about 57,000 people each month. The difference between monthly and annual figures reflects the diverse and dynamic nature of food insecurity, as individuals may seek assistance for varying durations throughout the year based on their changing circumstances and needs.

SCAN TO DONATE

This month, your spare change can help sustain a vital resource that helps to feed our community.

- 1 large jalapeño chili, seeded
- 3 cloves garlic, chopped
- 1 tablespoon olive oil - Bulk Hummingbird

HUMMINGBIRD WHOLESALE
Nourishment with INTEGRITY

DIRECTIONS

1. **Process the filling mix:** Pulse the pumpkin seeds, cauliflower florets, chopped tomatoes, seeded jalapeño, and garlic in a food processor until finely chopped and well combined (do not over-blend into a paste).
2. **Season and cook:** Heat the olive oil in a skillet over medium heat. Add the cauliflower-pumpkin seed mixture, dried sage, chipotle powder, tamari, and a pinch of sea salt. Cook, stirring often, for about 8 to 10 minutes until the vegetables are tender and the flavors meld.
3. **Warm the tortillas:** Warm the corn tortillas in a dry skillet or over an open flame until soft and pliable.
4. **Assemble and serve:** Spoon the warm filling into the corn tortillas. Top with cubed avocado, a squeeze of fresh lime juice, and hot sauce if desired.
