Since 1987, the Redwood Empire Food Bank has provided food and nourishment to those facing hunger—serving more than 142,000 children, families, and seniors in Sonoma, Lake, Mendocino, Humboldt, and Del Norte Counties. With over 300 direct service distributions and 130 partnerships with local human service organizations, all residents facing food insecurity have regular access to weekly and monthly food distribution sites across the five counties.

RWEFB provides monthly food distributions through three hunger-relief initiatives:

- Every Child, Every Day: Four robust programs ensure a healthy start in life for our littlest neighbors in need, providing food to 48,000 at-risk children.
- Senior Security: Our Senior Basket program provides food to 15,600 low-income seniors, giving them the nutritional stability and resources they need to lead healthy, independent lives.
- Neighborhood Hunger Network: We provide groceries to anyone in need through a variety of programs that improve the health and well-being of 142,000 individuals in our community.

This month, your spare change can help sustain a vital resource that help to feed our community.
