MICAH'S HUGS

Their Mission

Micah's Hugs is dedicated to educating youth of the dangers of substance abuse & fentanyl poisoning, bringing awareness to the disease, breaking the stigma that follows it, in addition helping those that are suffering with addiction or loss of a loved one.

Micah's Story

Six years ago, Micah Sawyer founded Micah's Hugs after losing his son, Micah Jr., to a fentanyl overdose. Micah Jr. had been the captain of the Analy High School football team for two years.

"Because the people who are using drugs aren't necessarily who you think they are," Micah explains. His son hid his drug use throughout high school, possibly starting as early as middle school. After graduation, he worked alongside his father in construction.

In response to their loss, Micah and his wife, Michelle, created Micah's Hugs to raise awareness about the dangers of fentanyl and to educate communities on how overdoses can be reversed using Narcan (naloxone nasal spray). To date, Micah's Hugs has distributed more than 38,000 doses of Narcan.
